## COLLEGE OF EDUCATION NEW COURSE PROPOSAL FORM

# COURSE NUMBER/NAME\_INTE 589 Instructional Technology Research and Product Development\_

- A. Complete the University of Alabama *Course Inventory* form and attach it as the cover page to this request.
- B. Attach a syllabus for the course which includes:
  - 1. Course number, title and number of credit hours
  - 2. Catalog course description, including all prerequisites.
  - Course goals and specific educational objectives for each major instructional unit.
  - 4. Required text(s) and/or readings.
  - 5. Description of required clinical experiences and assignments, if appropriate.
  - 6. Description of assignments.
  - 7. Number and nature of examinations, including policy for make-up tests.
  - 8. Grading procedures for tests and assignments.
  - 9. Procedures for determining final grades.
  - 10. Attendance policy.
  - 11. Policy on academic misconduct.
  - 12. Policy on reasonable accommodation.
  - 13. Course bibliography, if appropriate.
- C. Provide the following information for review by the Department Head.
  - 1. Describe the rationale for the course.

The Instructional Technology program is beginning an ACHE approved Master's degree in Instructional Technology beginning Fall, 2018. This course is one of the courses approved for the Master's degree.

2. Name the proposer of the course and any other faculty who are qualified to teach the course. Describe any specific qualifications and capabilities an individual must have to teach this course.

The proposer is Vivian H. Wright. Others who may be teaching the course include Angela Benson, Andre Denham, Margaret Rice and possibly adjuncts.

3. Indicate the programs(s) of study, majors (s), and/or minors, or other general curriculum in which this course will be included.

Instructional Technology MA. This is the culminating course for this program.

 Indicate how frequently and during which semesters the class will be offered. Every fall semester beginning Fall, 2019.

5. If a fee will be charged for the course, indicate the amount of the fee and describe how the fee will be used.

No fee.

6. Describe the system of evaluation that will be used to determine whether the course should continue to be offered in the future. Discuss the types of data that will be collected and the procedures that will be used to determine the effectiveness of the course.

The course will continue to be offered as it is part of the ACHE approved Master's degree in Instructional Technology. Data will be collected on student performance in the class and SLOs for the Instructional Technology Assessment plan.

- D. Provide the following information for review by the Department Head and the Dean:
  - 1. Describe the resources that will be needed to support the course (e.g., allocation of faculty, space, equipment, library materials, computers, travel, consultant honoraria, and/or other needs). Also, indicate how these needs will be met (e.g., course deletion and reallocation of faculty load).

While there is no need to hire new tenure track faculty for the proposed program, there will be a need to hire adjuncts to teach the undergraduate courses currently being taught by one of our faculty members. The adjuncts will be required to have an earned doctorate in a technology related field and have experience and training in teaching online courses.

Online access to The University of Alabama's library collections is available to all enrolled students, through the web portal located on the library's website. Access is controlled through the use of MyBama credentials.

RECOMMEND FOR APPROVAL:	Van Man	10-17-17
Department Head		(date)

- E. Provide the following information for review by the Curriculum Committee:
  - 1. New Course Proposal Form with required signatures
  - 2. List other courses, if any, which duplicate content to be covered in the proposed course and describe discussion with the faculty in the units offering those courses regarding the need for/appropriateness of the course duplication.

Not a duplicate as there is no other equivalent course.

3. Describe the impact this course will have on other courses and programs of study (e.g., enrollments, course substitutions, course deletions, and total program hours).

No impact.

4. If the course will be cross-listed with another department, attach a written statement from the appropriate department/area head(s) that the materials submitted are required by all departments/areas involved in teaching the course.

No cross listing.

5. Describe how this course will meet specific curricular requirements in the College (e.g., infusion of multiculturalism across the curriculum, inclusion of special needs across the curriculum).

This course will further address the program's purpose to help students understand technology's role across society as technological advancements necessitate a systematic examination of instructional strategies and content, assessments, and the technologies used to inform them.

RECOMMEND FOR APPROVAL:		
	Chair, Curriculum Committee	(date)
APPROVED		
Dean		(date)

## Mission of the College of Education

Our mission at the Capstone College of Education is to be a leader in Alabama and across the nation in teaching, scholarship, advocacy, and service by developing professionals with pedagogic and disciplinary expertise who advance the intellectual and social conditions of all learners in a globalized society.

#### **Vision of the College of Education**

The vision of the College of Education (COE) at The University of Alabama is to develop effective, ethical, and reflective professionals who advance the theme of the COE: Unite, Act, and Lead (UA Leads). This theme undergirds the four overarching ideals of the COE: Ideals of Fairness and Equity, Reflective Stance for Professional Practice, a Commitment to Diversity, and a Culture of Collaboration. The fulfillment of these ideals calls for a commitment to academic excellence and advocacy through active engagement with shifting social and cultural contexts and advanced technological developments that shape the construction, interpretation, and dissemination of knowledge.

The COE will continue to develop professionals who meet the needs of all learners that may arise from differences in race, social class, language, gender, sexual orientation, gender identity, health, ability, and religious and political affiliations. By engaging in theoretically informed and intellectually advanced advocacy and effective practice our graduates will **UNITE** with the larger community to collaboratively nurture cultural competence, empathy, and a vision of equity and justice for all learners;

**ACT** to develop the full potential of all learners to be excellent professionals in their fields; and

**LEAD** through continuous research-based critical inquiry of policy and reflective practice to enable transformative change in our diverse local and global communities.

Through excellence in teaching, scholarship, advocacy, and service the COE will facilitate visibility and voice of education leaders beyond the classroom in support of demo

education leaders beyond the classroom in support of democracy and social justice for all learners in our global society.

#### **Dispositions**

We strive to create programs that emphasize Fairness and Equity, Reflective Stance for Professional Practice, a Commitment to Diversity, and a Culture of Collaboration.

## **Prerequisites**

CAT 531, INTE 532, INTE 533

This is the Instructional Technology MA's culminating course and should be taken during the student's final semester.

## **Course Description**

This culminating course is intended to give students an experience of the "what" and "how" in instructional technology research (action research) and/or product development through collaboration with businesses, schools, and/or community entities.

#### **Required Texts**

- Brown, A. H., & Green, T. D. (2015). *The essentials of instructional design: Connecting fundamental principles with process and practice* (3<sup>rd</sup> edition). New York: Routledge.
- Bonk, C.J. & Khoo, E. (2014). *Adding some Tec-Variety: 100+ Activities for Motivating and Retaining Learners Online*. Available for download at http://tec-variety.com
- Clark, R. C. & Meyer, R. E. (2016). *e-Learning and the science of instruction: Proven guidelines for consumers and designers of multimedia learning* (4<sup>th</sup> edition). San Francisco: John Wiley & Sons.
- Manfra M.M., Bullock D.K. (2014) *Action Research for Educational Communications and Technology*. In: Spector J., Merrill M., Elen J., Bishop M. (eds) Handbook of Research on Educational Communications and Technology. Springer, New York, NY

Online readings relevant to current needs in business/community, as assigned.

#### **Course Objectives**

This course intends to help students gain a better understanding of scholarly activity in instructional technology, as well as to enhance their research and writing skills in preparation for conference presentations and manuscript publications.

#### **Student Learning Outcomes**

Students in this course will:

- systematically inquire into issues/problems related to integrating technology in teaching, learning, training, and production
- conceptualize how to bridge theory and practice to engage in research/innovation to meet a need or to improve educational results in a school, business, or community
- choose appropriate research and/or design techniques to draw conclusions and implications to enhance instructional technology delivery
- identify and understand the ethical, cultural, and societal issues related to instructional technology integration

• gain an understanding of manuscript and conference submission processes and scholarly dissemination of research

#### **Other Course Materials**

Additional course materials, resources, and readings are posted with each module.

## **Format of the Course**

This is an online course with learning activities presented through modules. The modules may include multiple layers of readings, interactions, and assignments/products.

## **Outline of Topics**

An example of products, assignments, and a tentative outline of course activities, with due dates, follows in the chart.

Course Topic	Key	Points Possible	Due Date	Additional
Module	Assessment;			Notes
	Assignment			
	Product			
Module 1:  Readings: From theory to practice – identifying a need for Action Research	Article/Publication critiques: 5 individual critiques	2 points each critique 10	Week 3	From assigned and current online readings, student identify research relevant to their interest to help identify future research and/or product need.
Module 2:  Developing an Action Research or product development plan, based on need identified	Discussion Post by student/interactions between students and instructor postings; sharing of ideas; feedback gathering	5 points for initial posting and 5 for discussion of others' ideas	Week 5	Discussion prompt and posts encourage sharing of ideas and feedback on each idea. Students and instructor discuss the students' ideas and plans for an action research/product development project each student will individually conduct.
Module 3:  IRB Process	IRB training and submission	20	Week 6	IRB completion certificate; IRB approval of study
Module 4:  Collection of data, analysis	Communication updates	10	Weeks 6 - 10	Weekly updates via email or other communication with instructor
Module 5a:  Reporting Results: Development of conference proposal and draft article	Conference Submission and article Draft	20	Week 13	
Module 5b:  Edits and Revisions of Action Research/Product	Timely and informed edits on submission and article	20	Week 15	
Module 5:  Personal growth and development as a researcher	Reflective journal	5 reflective journal submissions 2 points each	5 due dates Weeks 1, 4, 8, 11, 15	Descriptions reflect in- depth thought on personal growth and development as researcher.

#### **System Requirements**

This course requires a high-speed Internet connection and a <u>compatible browser (PDF)</u>. Courses may also require these free tools:

- Java
- Adobe Reader
- Flash Player
- Microsoft Silverlight
- QuickTime
- Windows Media Player (or Flip4Mac)

You must have speakers or headphones.

## **Minimum Student Technical Skills**

Participation in an online course requires knowledge of computer technology. In order to participate successfully in an online course, you should already be able to:

- Access and use Blackboard Learn (review the <u>Blackboard Learn Tutorials</u> for assistance).
- Use a word processing program to:
  - o Create, format, edit, spell check, save, and print a document.
  - o Cut, copy, and past information.
  - o Save a word processing document in txt, rtf, doc, or docx format as requested.
- Use a spreadsheet program to:
  - o Create, format, edit, spell check, save, and print a spreadsheet.
  - o Cut, copy, and paste information.
  - o Create graphs.
- Use a web browser to view, navigate, and search for information on the Internet.
- Use your Crimson email account and the Blackboard Learn Mail tool to send and receive messages and file attachments.

#### **Technical Support**

To obtain assistance with technical issues, contact the College of Continuing Studies <u>online</u> course technical support team. The team can be reached online or by phone at 1-866-205-1011 during their <u>regular business hours</u>.

#### **Exams and Assignments**

As this is an online class, all assignments/products have posted instructions for preparation. These must be turned in as an attachment in the course management assignment system, unless otherwise noted by your instructor.

#### **Grading Policy**

Due dates are strictly adhered to in this course. Points are deducted, per day, for late assignments. Be sure to keep a backup of all work. The final grade will be based upon completion of all activities outlined below. All coursework must be completed before or by

the due date. Incomplete grades: A grade of "I" (Incomplete) is evaluated as an "F," and must be removed within two weeks during the next term of enrollment if the student's overall grade point average drops below a "B" as a result of the incomplete grade. The evaluations of academic progress of students who register with "I" grades still on their records can result in academic probation or dismissal. Please refer to the Graduate School handbook for additional information/policy.

## **Grade Ranges**

90 - 100 = A

80 - 89 = B

70 - 79 = C

60 - 69 = D

0 - 59 = F

#### **Policy on Missed Exams and Coursework**

All assignments/products are due on the due date in the course calendar. If you are unable to complete the product by the due date because of illness, provide a doctor's excuse to get an extension. If you have extenuating circumstances other than illness, contact the instructor.

#### **Attendance Policy**

This course does not require synchronous class meetings. Your success in this online course is dependent on your dedication to and diligence in working through each module and completing the assignments on time, or ahead of schedule. Deductions will be made for late assignments.

#### **Statement on Academic Misconduct**

- Students are expected to be familiar with and adhere to the official <u>Code of Academic Conduct</u> provided in the Online Catalog (<a href="https://catalog.ua.edu">https://catalog.ua.edu</a>).
- All students in attendance at The University of Alabama are expected to be honorable and observe standards of conduct appropriate to a community of scholars. Academic misconduct by students includes all acts of dishonesty in any academically related matter and any knowing or intentional help or attempt to help, or conspiracy to help, another student commit an act of academic dishonesty. Academic dishonesty includes, but is not limited to, the following acts, when performed in any type of academic or academically related matter, exercise or activity:
  - o Cheating: Using or attempting to use unauthorized materials, information, study aids or computer-related information.
  - Plagiarism: Representing the words, data, works, ideas, computer programs or output, or anything not generated in an authorized fashion, as one's own.
  - o Fabrication: Presenting as genuine, any invented or falsified citation or material.
  - Misrepresentation: Falsifying, altering or misstating the contents of documents or other materials related to academic matters, including schedules, prerequisites and transcripts."

#### **Statement on Disability Accommodations**

• Contact the Office of Disability Services (ODS) as detailed in the Online Catalog.

• The Office of Disability Services (ODS) is the central contact point for UA students with disabilities. The goal of ODS is to ensure that University programs and services are accessible to qualified students with disabilities. For student who may require their services more information is available at <a href="http://ods.ua.edu">http://ods.ua.edu</a>. ODS is located at 1000 Houser Hall and their phone number is 348-4285 (voice) or 348-3081 (TTY).

#### **Severe Weather Protocol**

• Please see the latest <u>Severe Weather Guidelines</u> in the Online Catalog. The link for the Severe Weather Guidelines is <a href="https://ready.ua.edu/severe-weather-guidelines/">https://ready.ua.edu/severe-weather-guidelines/</a>

#### **UAct Statement**

The <u>UAct website</u> provides an overview of The University's expectations regarding respect and civility. The website link is <a href="https://www.ua.edu/campuslife/uact/">https://www.ua.edu/campuslife/uact/</a>

The University of Alabama respects the religious diversity of our academic community and recognizes the important of religious hold days and observances in the lives of our community members. For more information, please go to <a href="http://provost.ua.edu/religious-observances.html">http://provost.ua.edu/religious-observances.html</a>

## **Statement on Academic Work Duplication**

Any submission of academic work designed to meet the requirements of a particular creditbearing course is assumed to be work completed for that course and only that course; the same material submission, or material that is substantially similar, may not be used to meet the requirements of another course. Any violation of this rule may results in a referral to the Associate Dean for Student Services and Certification for disciplinary action.

#### **Elasticity Statement**

Students will be given timely notice of any changes in the syllabus. Any special considerations (e.g., opportunities to earn extra credit) offered to a student shall be available to all students in the class. Adapted from The University of Alabama Faculty Handbook and Office of Academic Affairs
